cgpa – 10.0

## INTERNSHIPS AND TRAININGS

### SUMMER TRAINEE

EXPOSYS DATA LABS 04/06/2023 – 03/08/2023

Exposys Data Labs is an online learning platform that provides students with all the resources needed to make them industry-ready. I gained hands-on experience in web development.

- Internship certificate for the project's submission. 

## PROJECTS

### PORTFOLIO

- This is created using html, CSS, JavaScript with different animations, theme colours, light and dark backgrounds and completely responsive.

### DESIGN AND DEVELOP MASS-MAIL DISPATCHER WEBSITE (FRONTEND)

- This is a real time project created using html, CSS and EmailJS API.
- Purpose of this is to provide a tool to control and send emails to a vast number of recipients uploaded through a CSV file. The application will list and sort out all the valid and invalid emails.

### ONLINE HOTEL BOOKING SYSTEM (FRONTEND)

- Developed responsive website using HTML, CSS, and JavaScript.
- Designed to streamline the online hotel room booking process for a specific hotel, offering guests a user-friendly experience to reserve their preferred rooms from the available options.
